Handwritten text in a cursive script, likely a botanical description or list of items. The text is arranged in several lines across the top of the page.

Handwritten text in a cursive script, likely a botanical description or list of plant parts. The text is arranged in several lines across the top of the page, with some words appearing to be repeated or related terms. The script is dense and difficult to decipher fully due to its cursive nature and some fading.

Handwritten text in a cursive script, possibly a form of shorthand or a specific dialect. The text is arranged in several lines, with some words appearing to be repeated or variations of a few base forms. The ink is dark and the background is light, though the overall image is high-contrast and somewhat blurry.

Another block of handwritten text, similar in style to the first block. It consists of several lines of cursive script, with some words appearing to be variations of a few base forms. The text is arranged in several lines, with some words appearing to be repeated or variations of a few base forms. The ink is dark and the background is light, though the overall image is high-contrast and somewhat blurry.

Handwritten text at the bottom right corner, possibly a signature or a date. It appears to be a stylized or abbreviated form of text.

The text below the sketches is written in a cursive script, likely a historical form of a European language. It appears to be a list of descriptions or names for the plants depicted above. The text is arranged in several lines, with some words appearing to be repeated or related to the botanical illustrations.
