

Cabalis Notes on the Aura 5/5

Per diagram next page

- During energy exercises your body will seem to shrink and your aura will stretch out. Focus on your toes, how many, how far away do they feel.
- Experience the cosmos, the Solar System in you.
- The Solar System exists in you, within the aura in miniature.
- Each part of the body, the hand, lungs etc connect to a planetary influence.
- This is how the symbolic works on the etheric, through the body and the body through the etheric
- The inner energy of cosmic solar force that spirals within the aura.
- The Etheric works with blood and Energy
- Sun - Heart - Blood = Physical Body to/from Etheric Body
- Aura not only experience solar system, but also the seasons. Summer, Winter etc within depending on inner energy.
- Summer = Spirit, Winter = Body
- Four Seasons, four inner forces work on the aura.
- Red = Summer, Blue = Winter, Red/Yellow = Spring, Blue/Green = Autumn

season

- During energy exercises, your body will seem to stretch and your aura will stretch out. Focus on your toes, how many; how far away do they feel?

Exposure to Cosmos, the solar system in your the Solar Systems exist in your with the aura in miniature.

- Each part of body, the head, lungs etc connected to a planetary influence. This is how the symbolic works with ether, through the body as the body through the ether.

- The inner energy cosmic solar force that spirals within the aura. Etheric works with blood with energy.

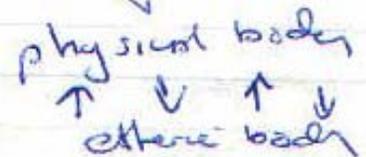

Sun Heart Blood

Solar Force Spiral

Aura not only experiences solar system; but also

the seasons / summer winter within depending on inner energy.
Summer = Spirit, Winter = Body

(flows from both to each other)

4 seasons, four inner forces work on the aura.
Red = Summer, Blue = winter, Red/Yellow = ~~Autumn~~ Spring, Blue/Green = ~~Spring~~ Autumn
