

Mi amigo abrió el cajón de la mesita de noche de su mujer y sacó un paquetito envuelto en un papel blanco.

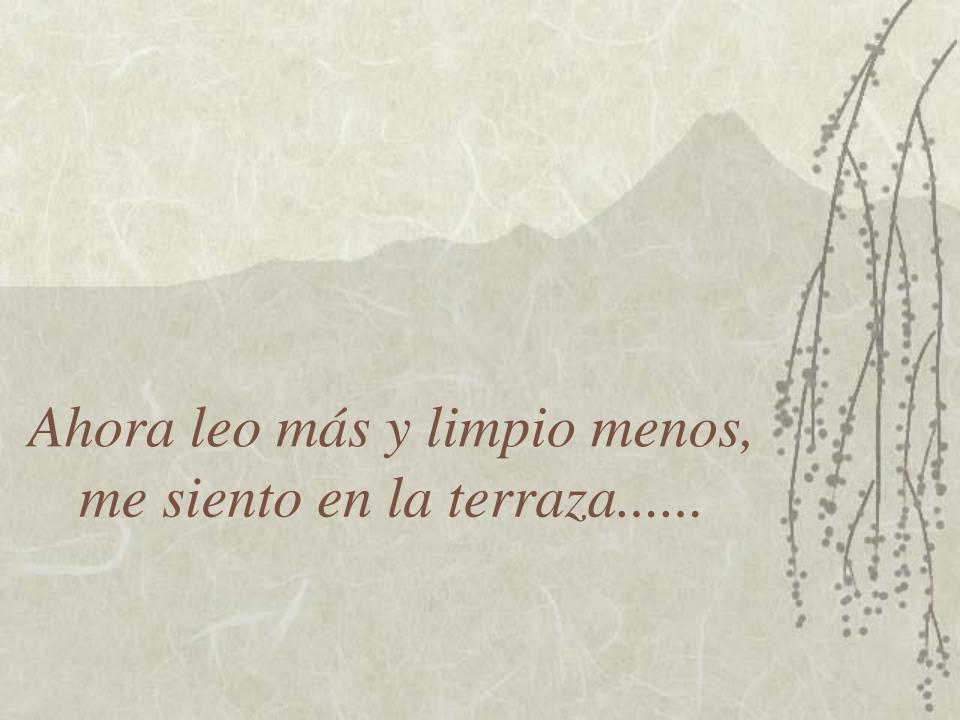

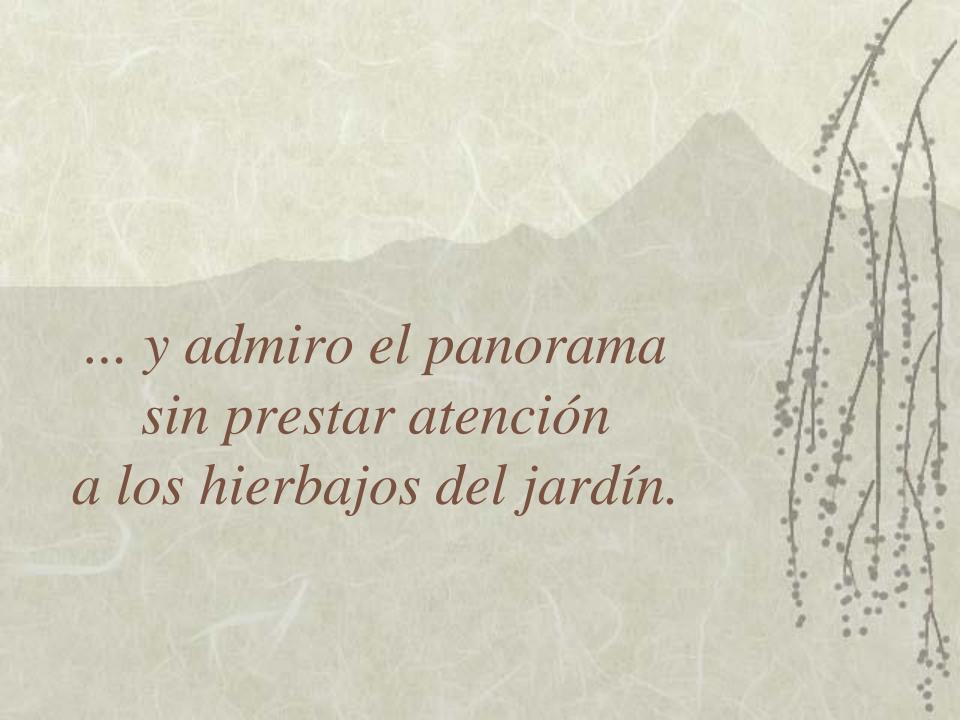

Se acercó a la cama y apoyó el conjunto al lado de la ropa que llevaría a la funeraria: su mujer acababa de morir.

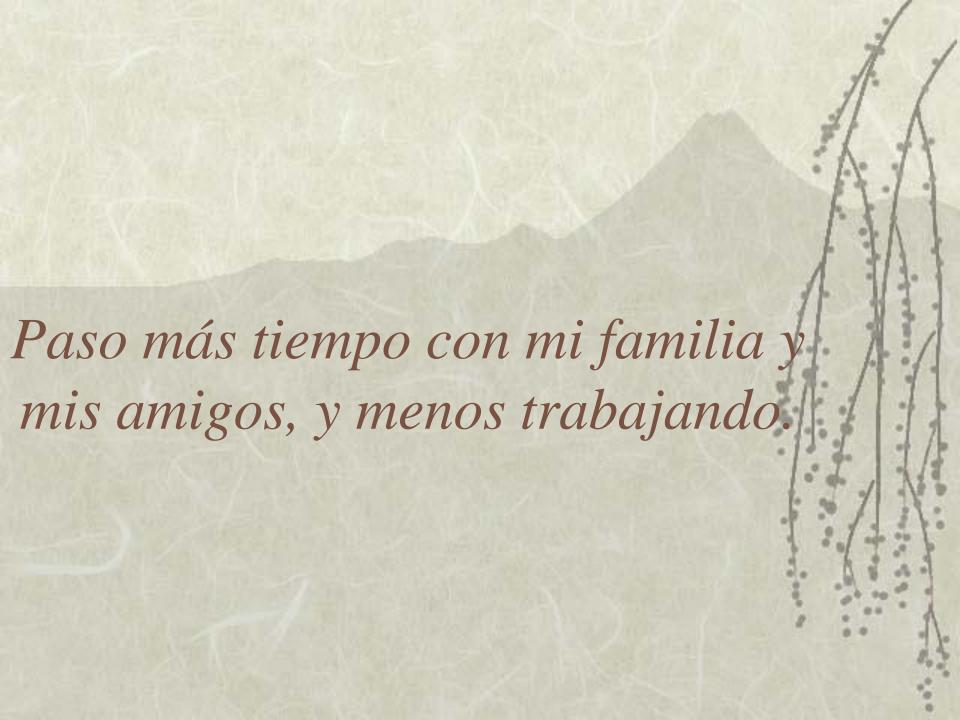

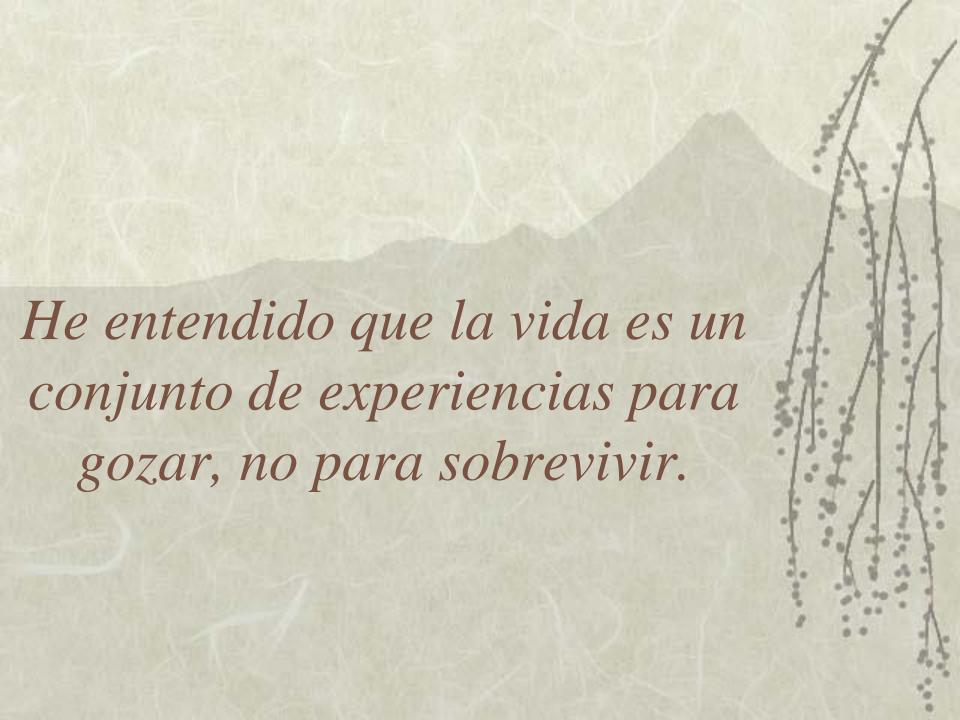

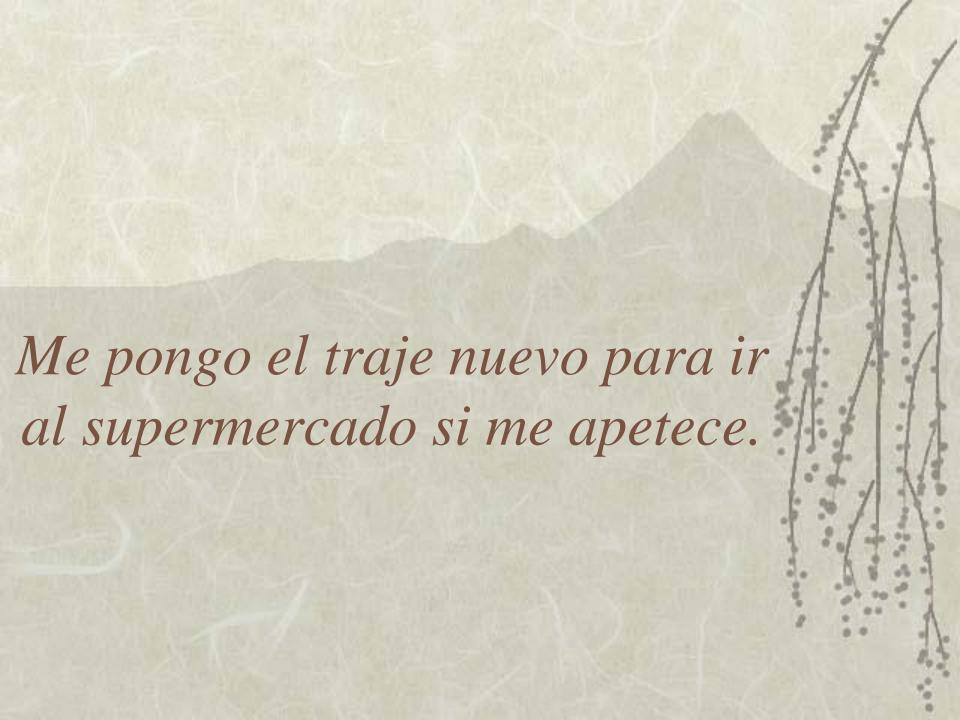

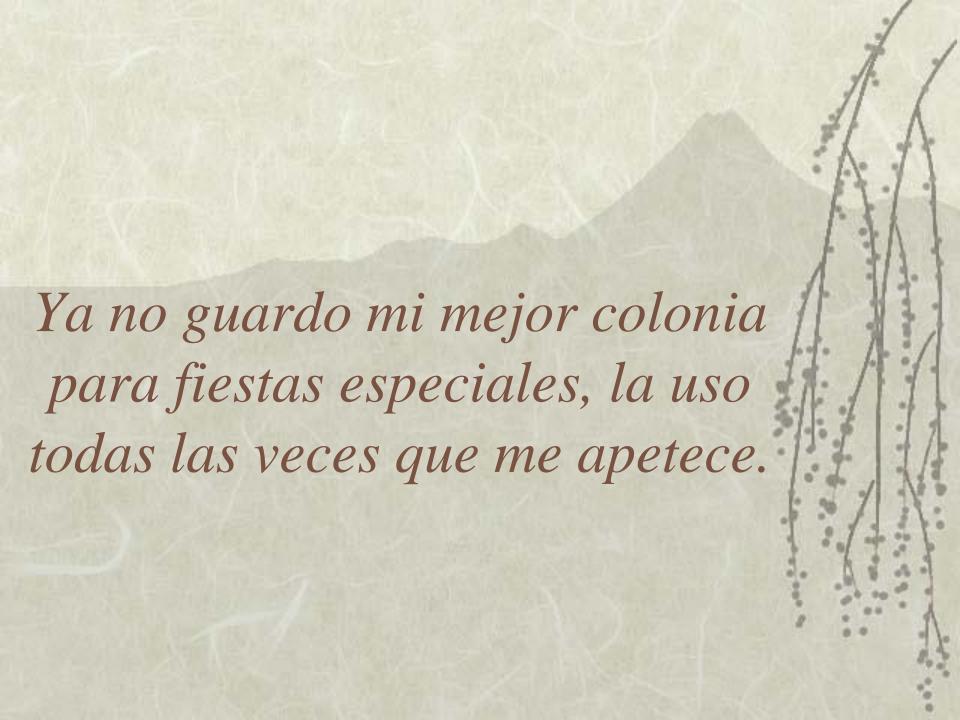

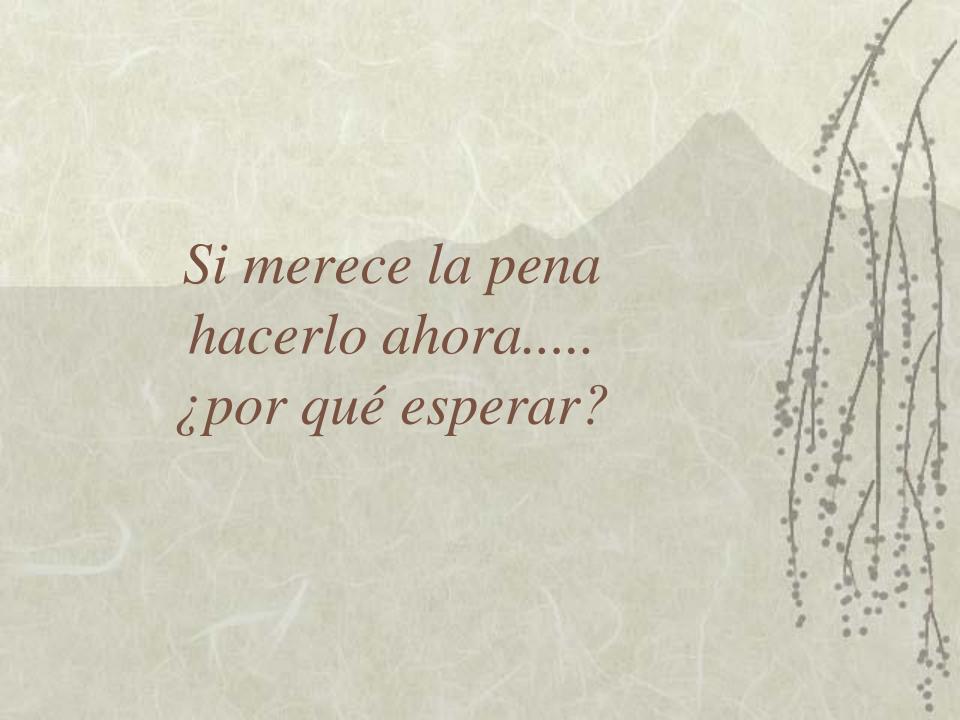

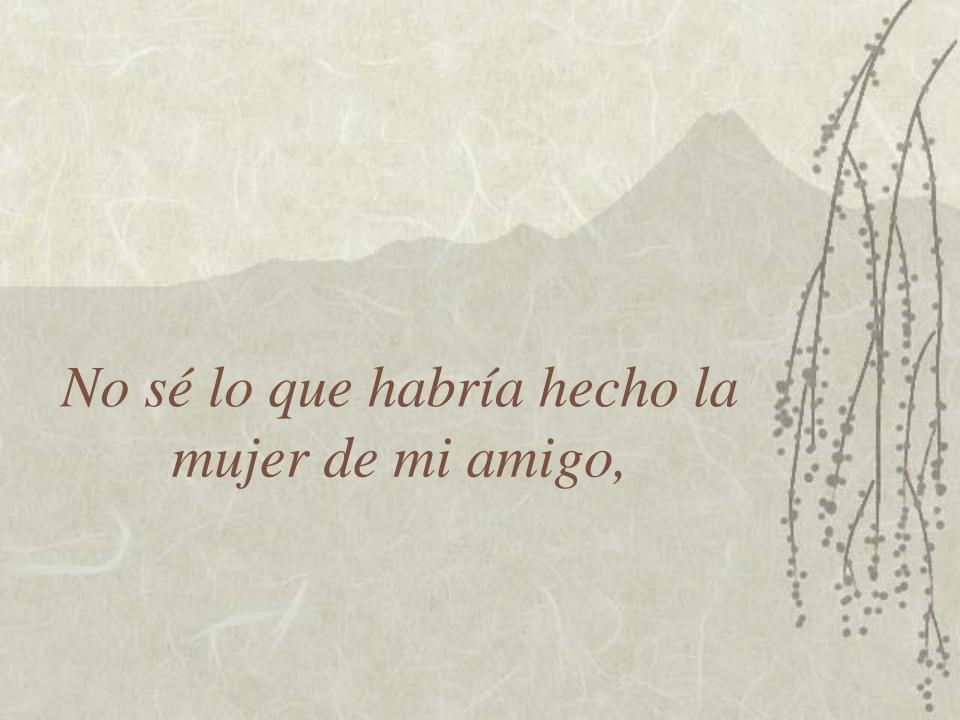

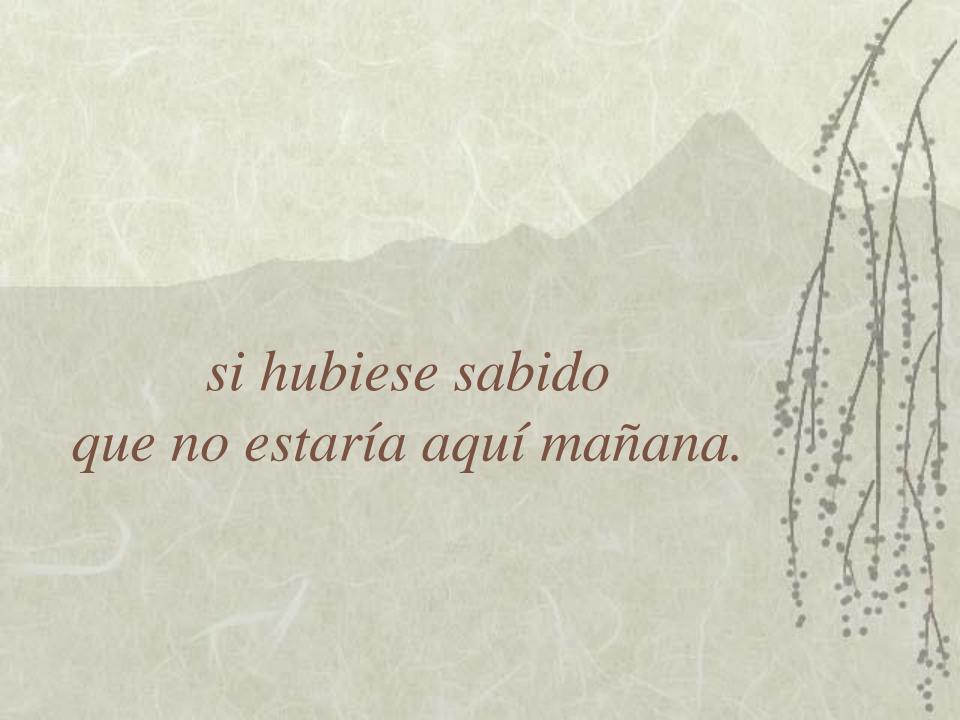

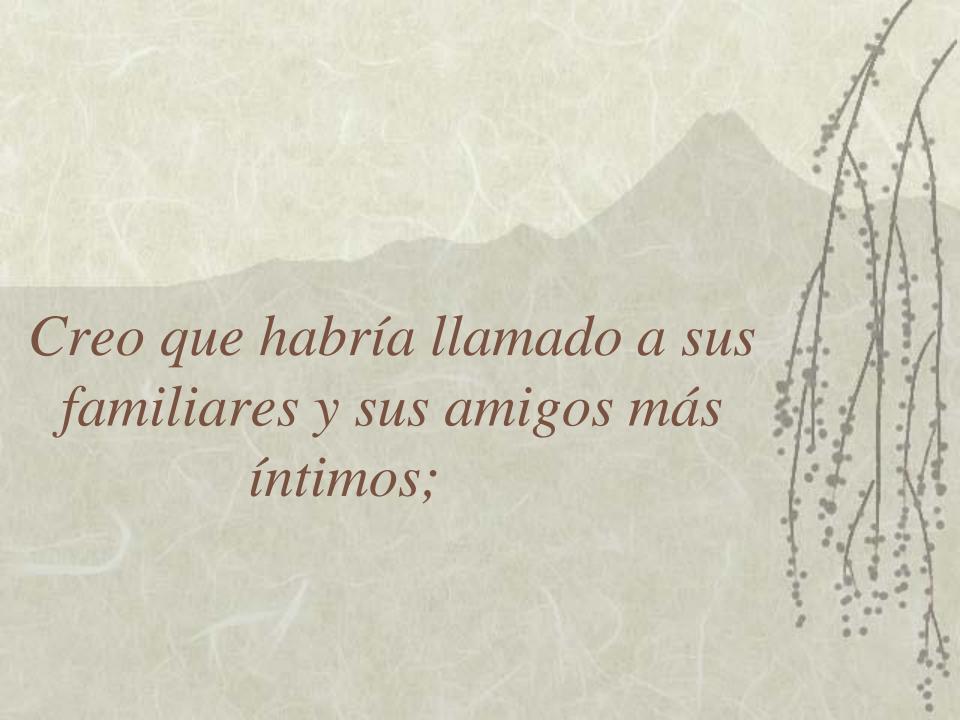

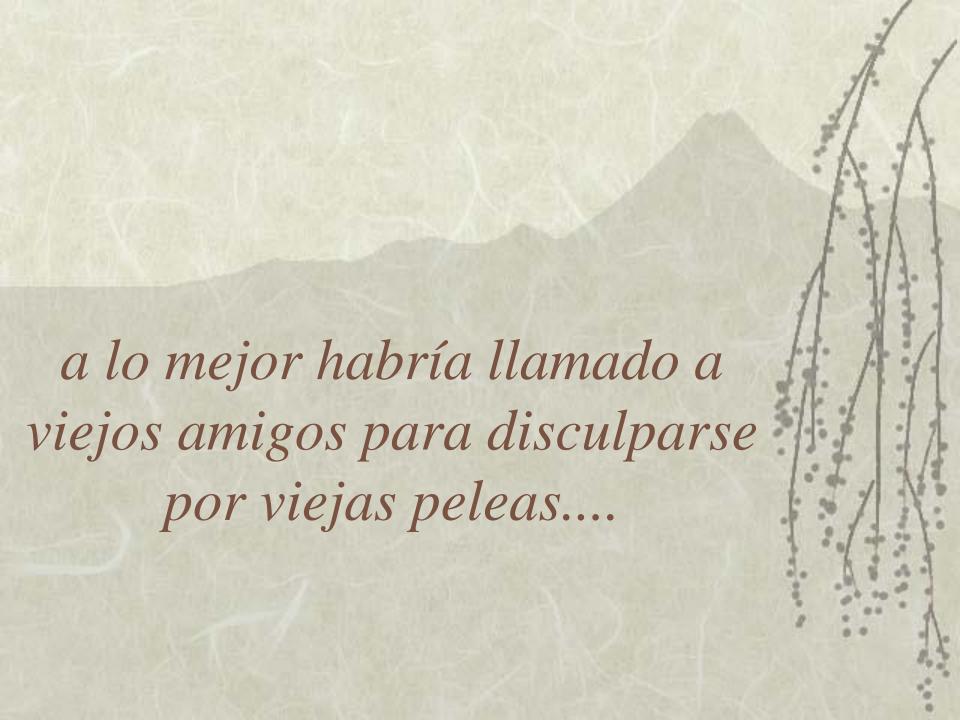

Las frases "Un dia.." y "uno de estos días..." han desaparecido de mi vocabulario.

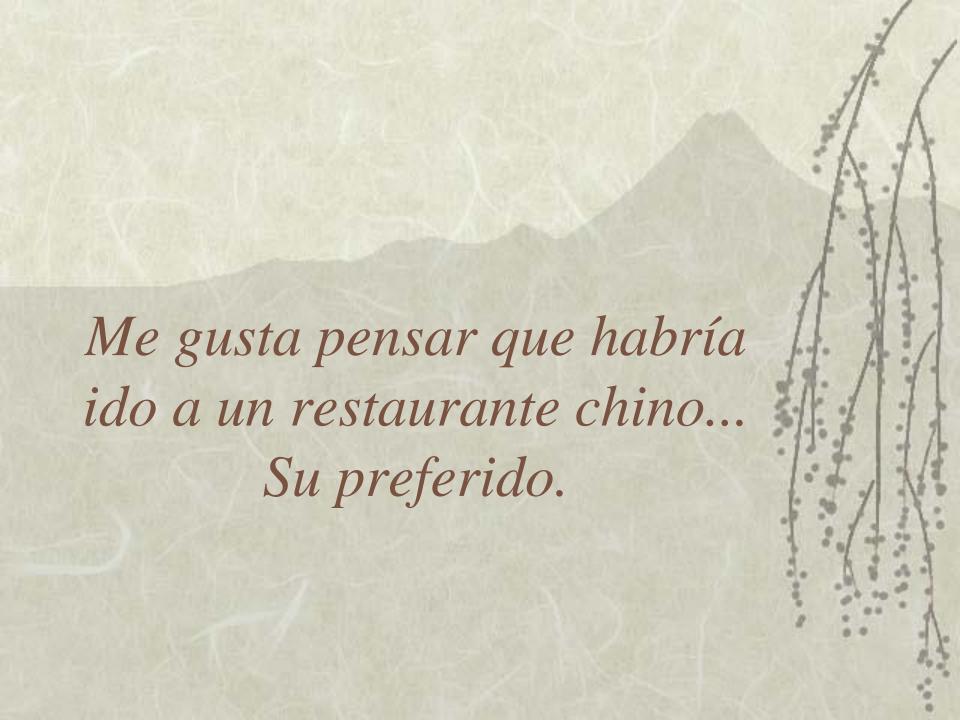

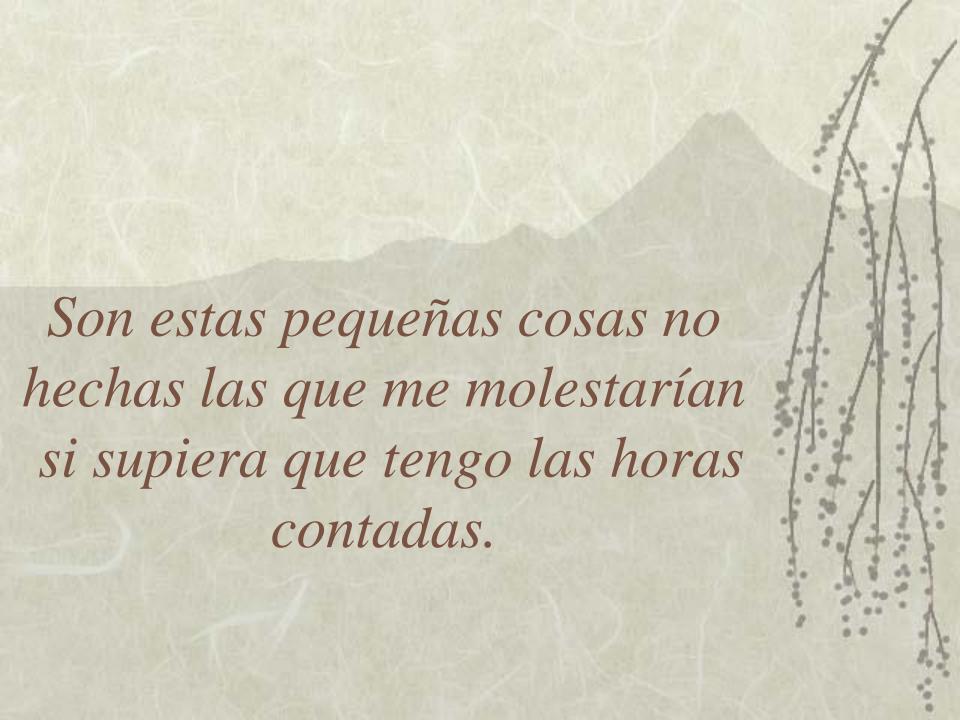

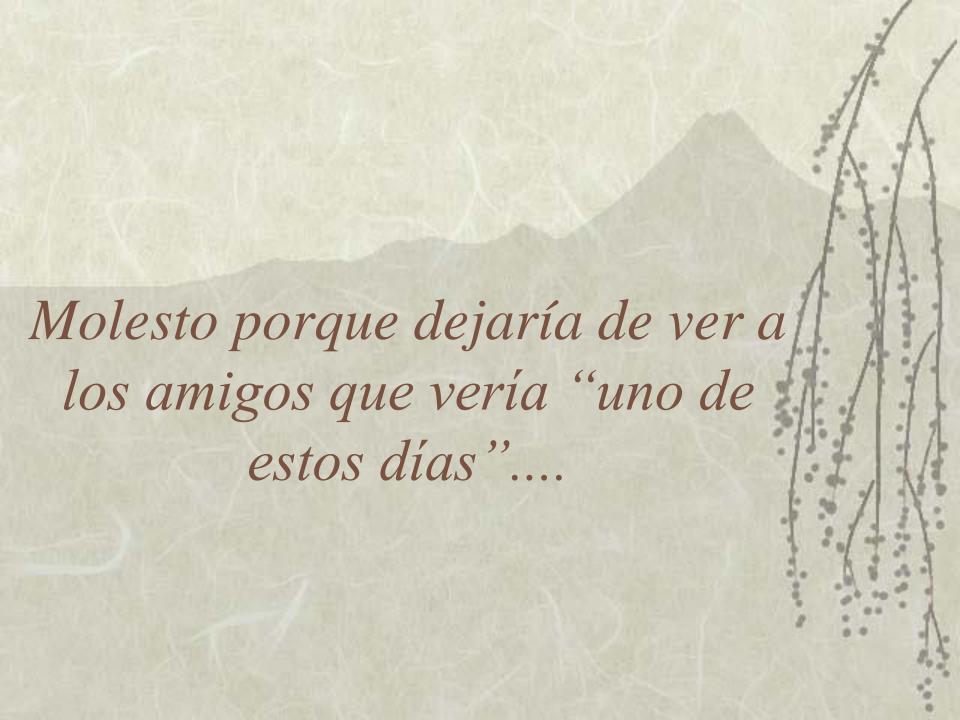

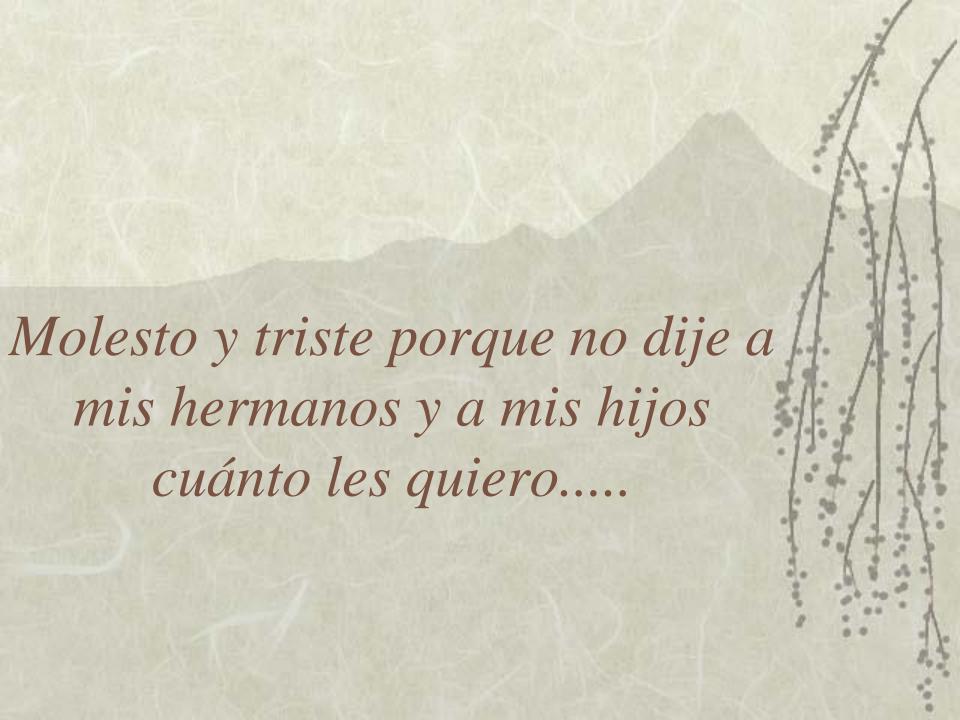

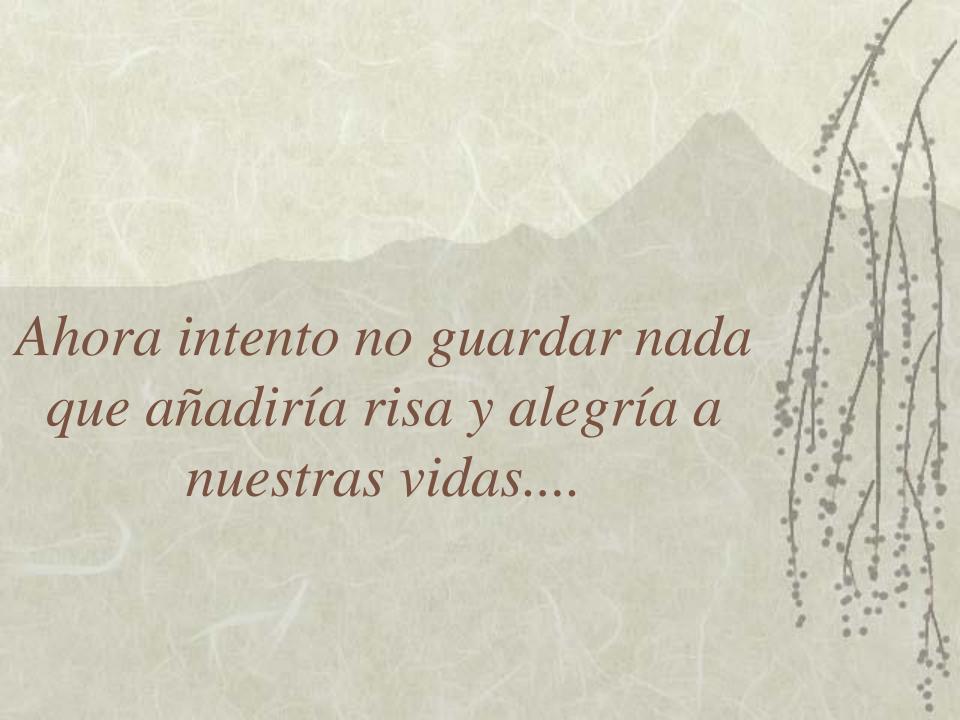

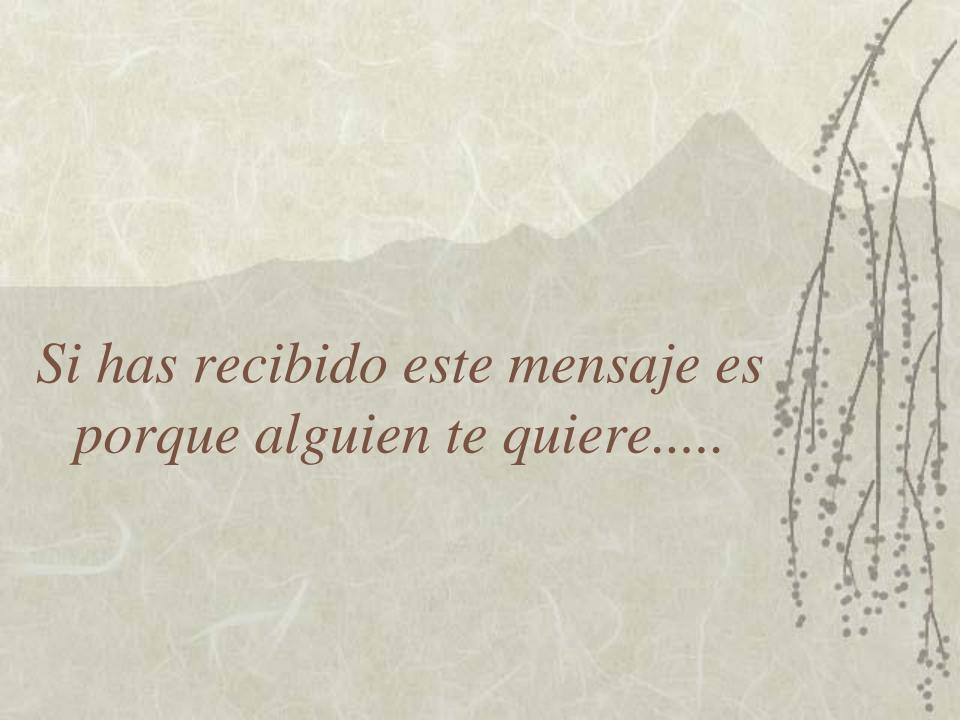

Cada día me digo a mi mismo que éste es un día especial. Cada día, cada hora, cada minuto es especial....

Si estás demasiado ocupado para perder un par de minutos y enviarlo a otras personas, y piensas "uno de estos días..."

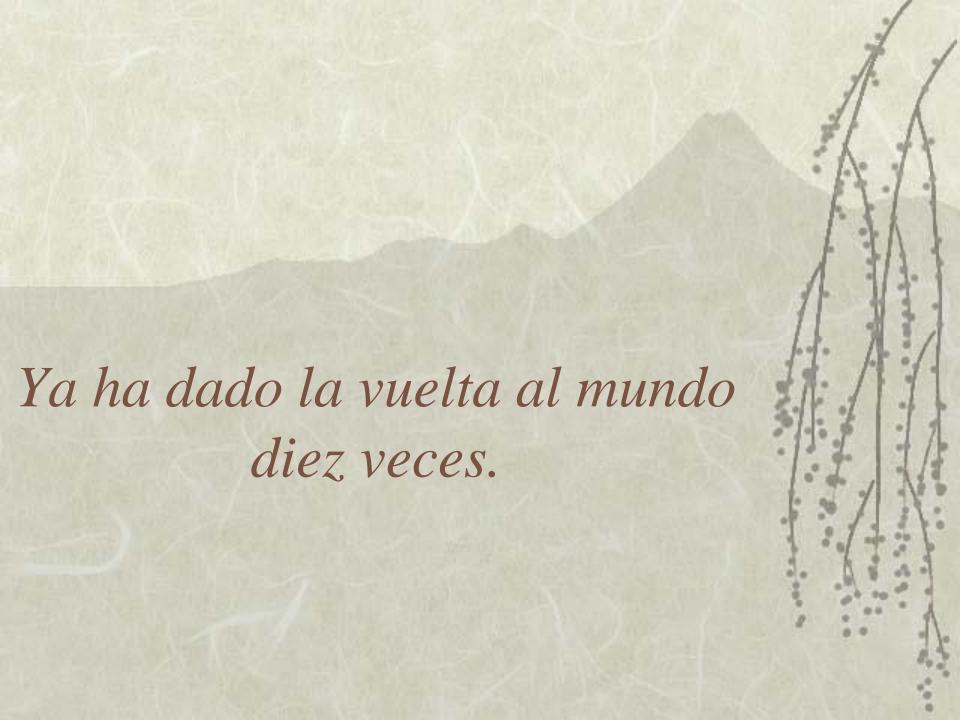

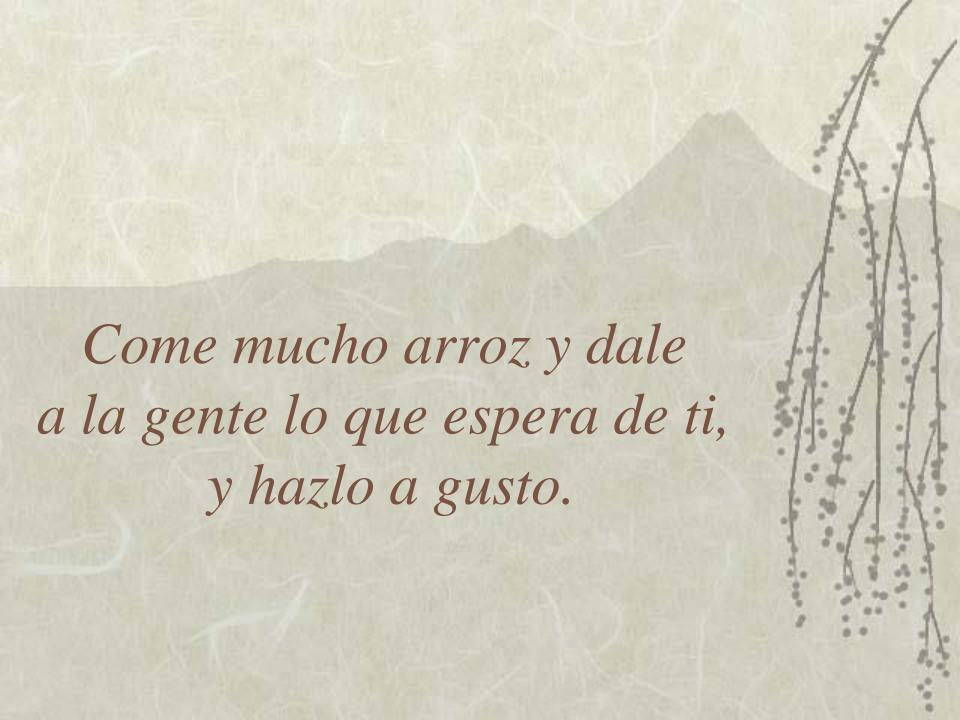

Este TANTRA llegó desde la India....

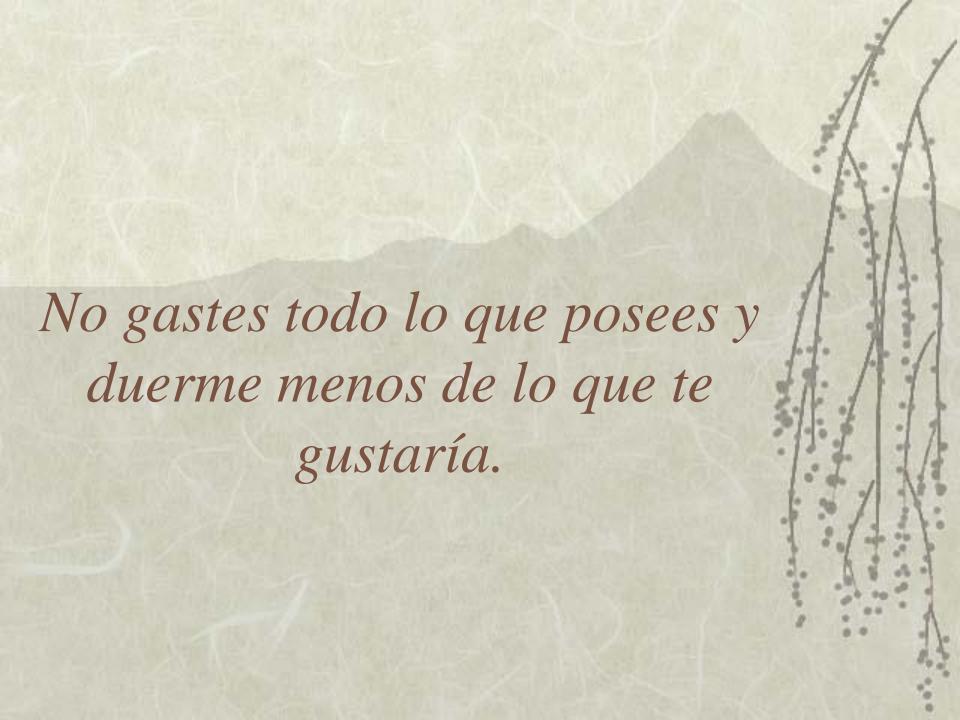

Es un TOTEM TANTRA NEPALES PARA LA BUENA SUERTE.

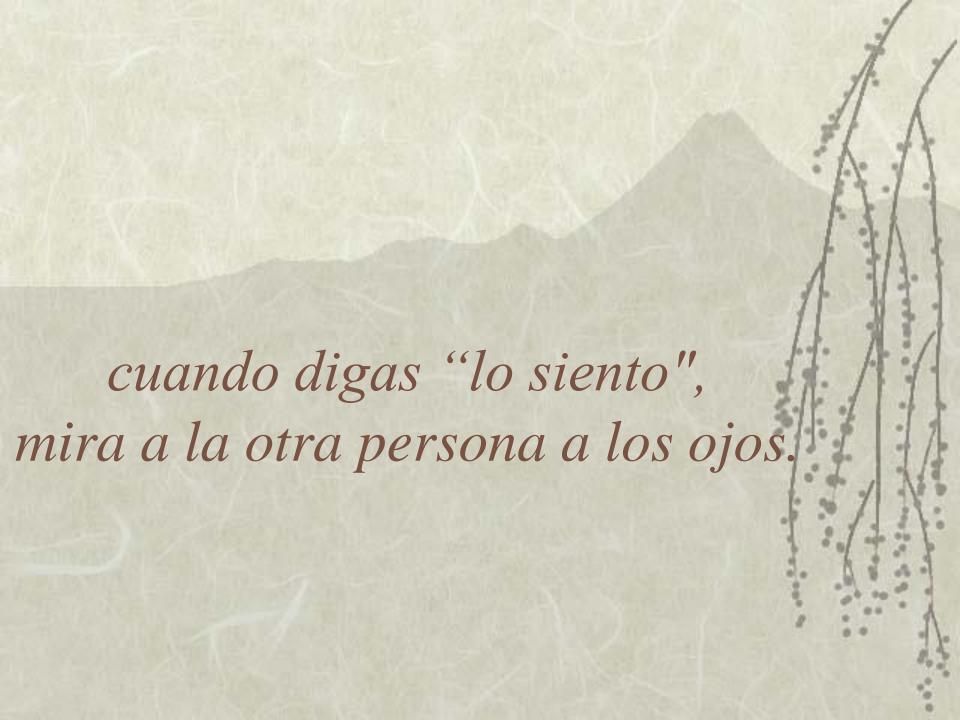

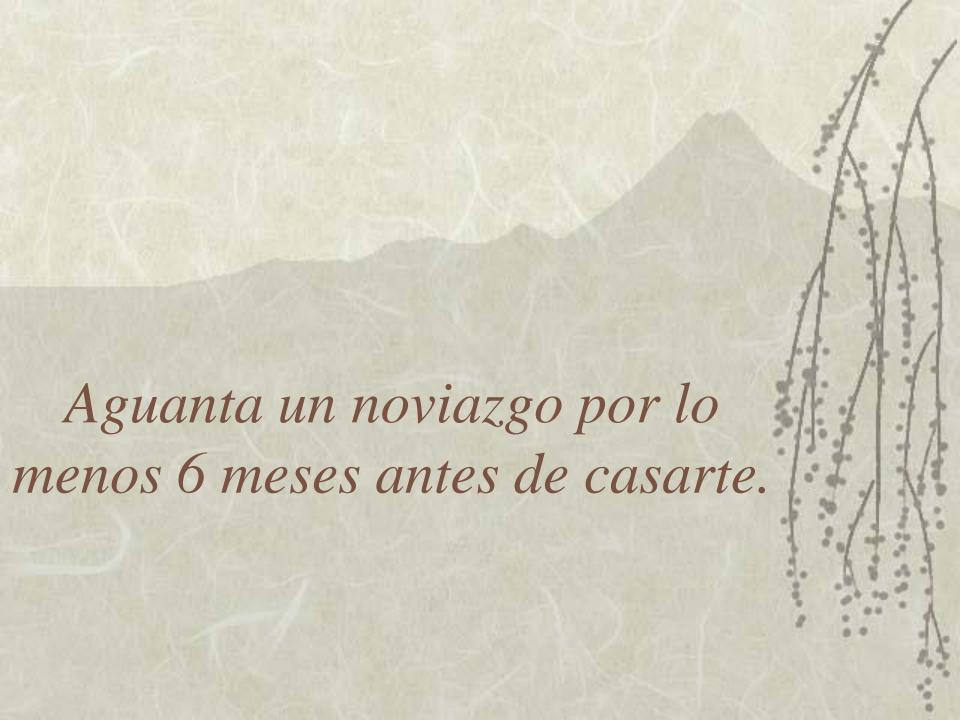

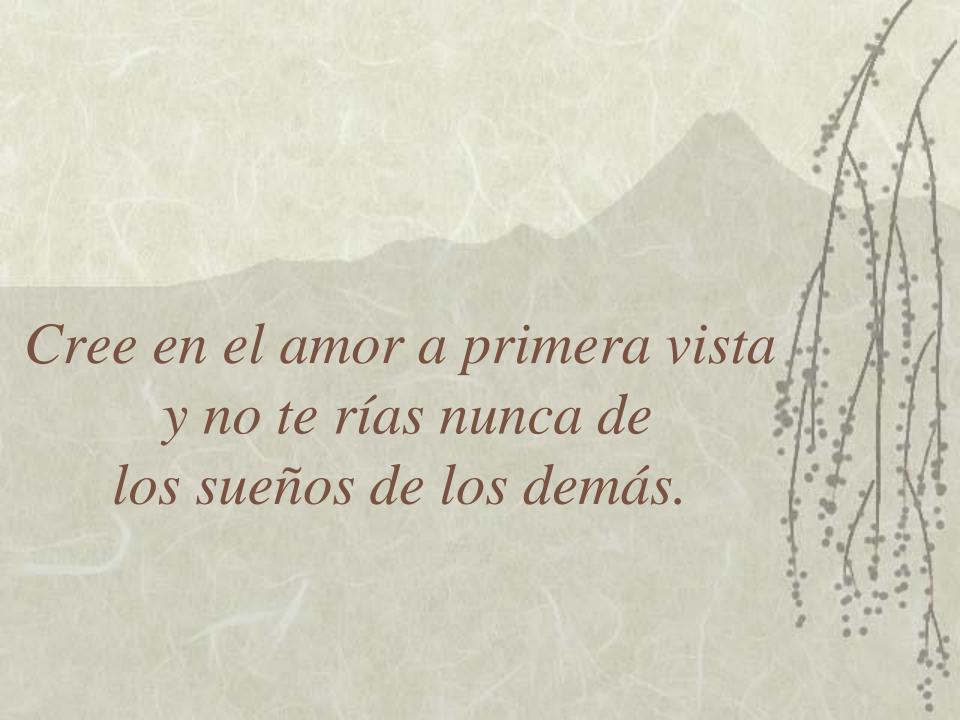

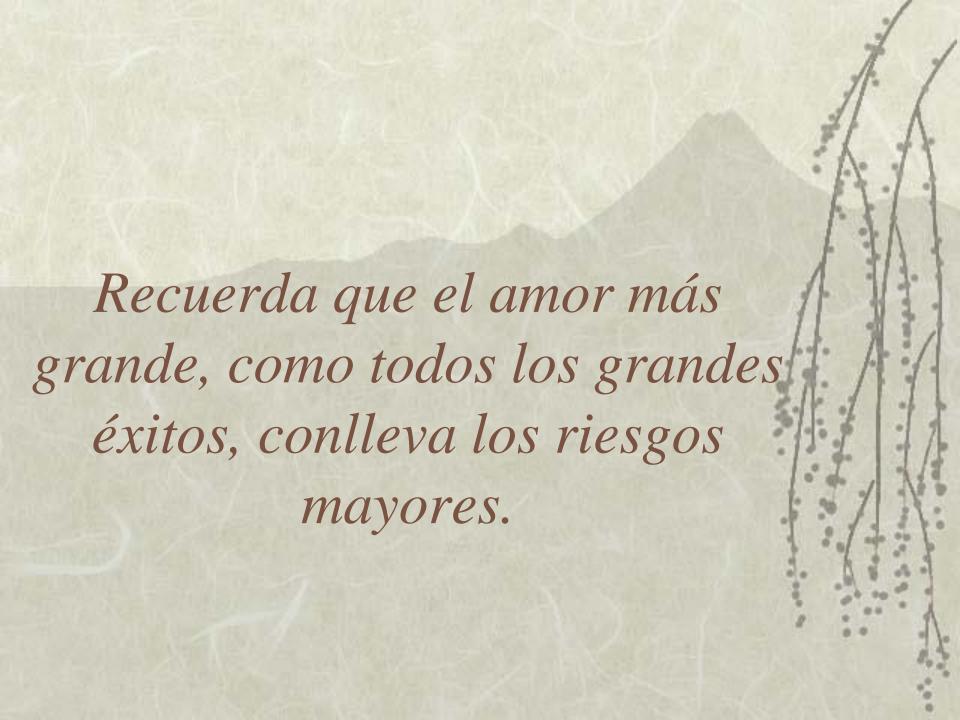

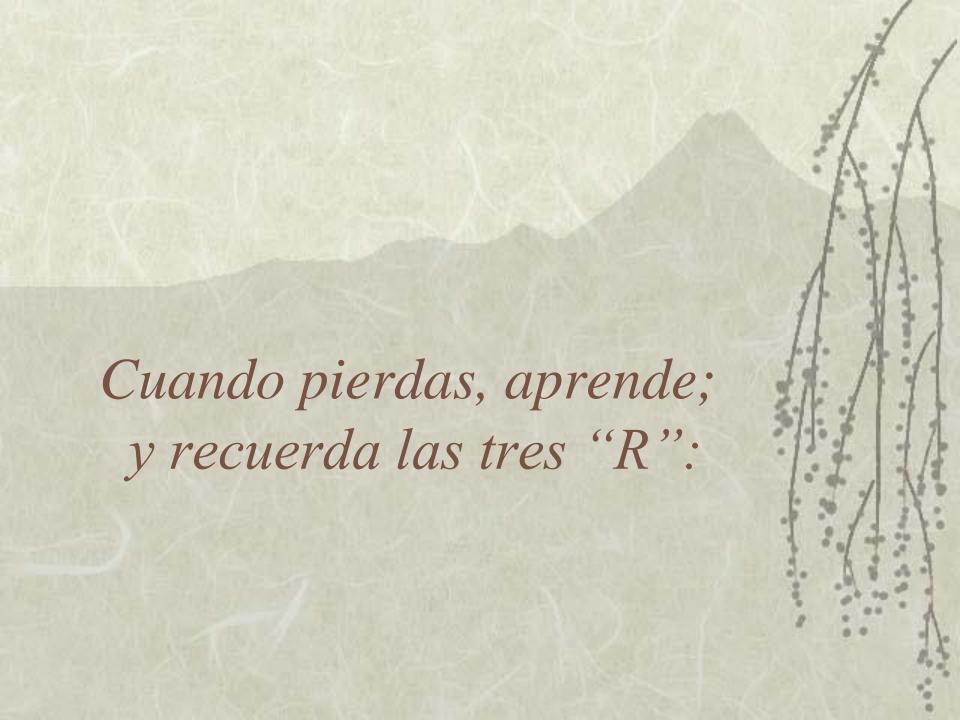

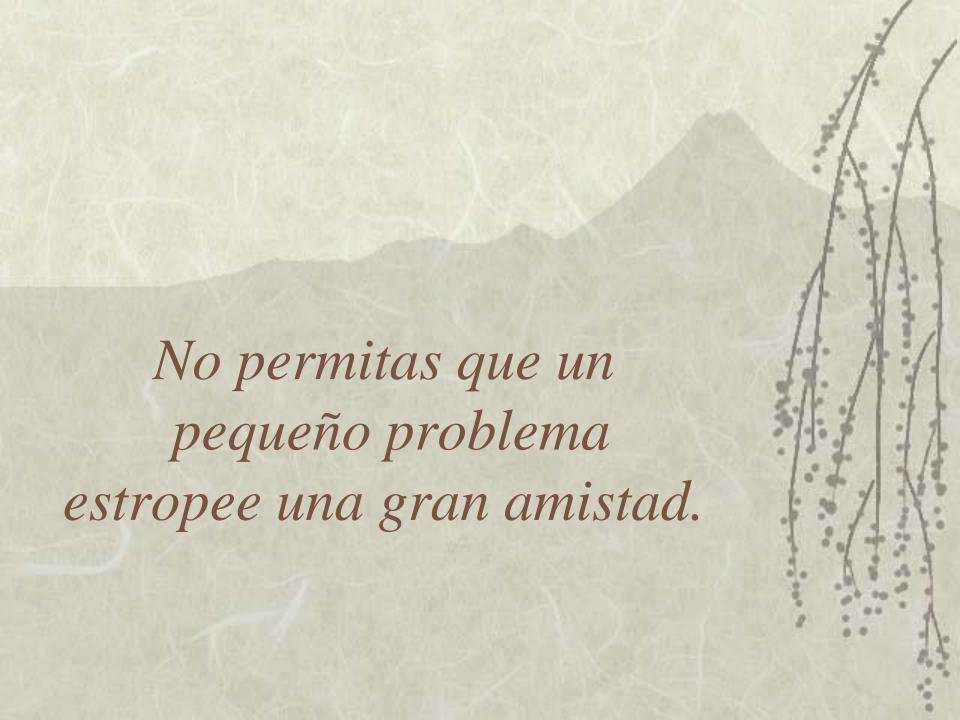

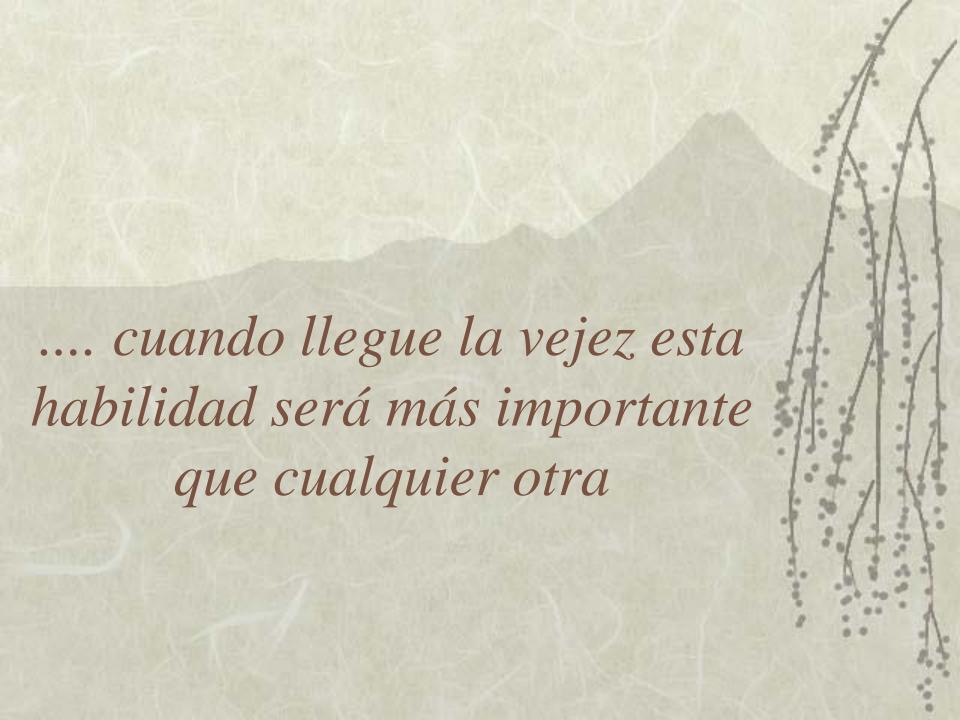

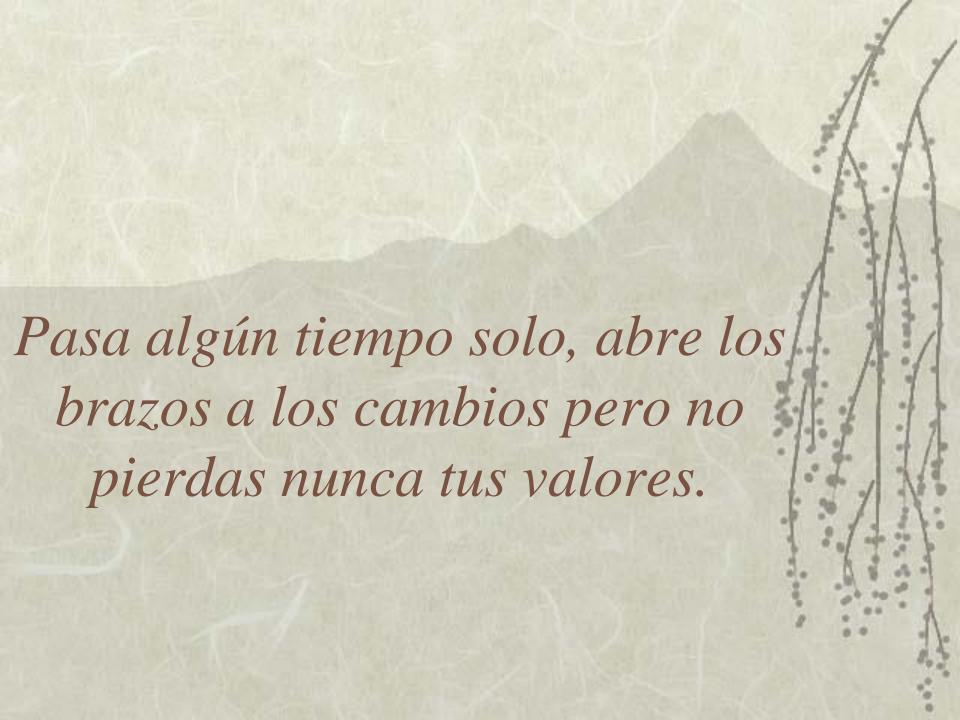

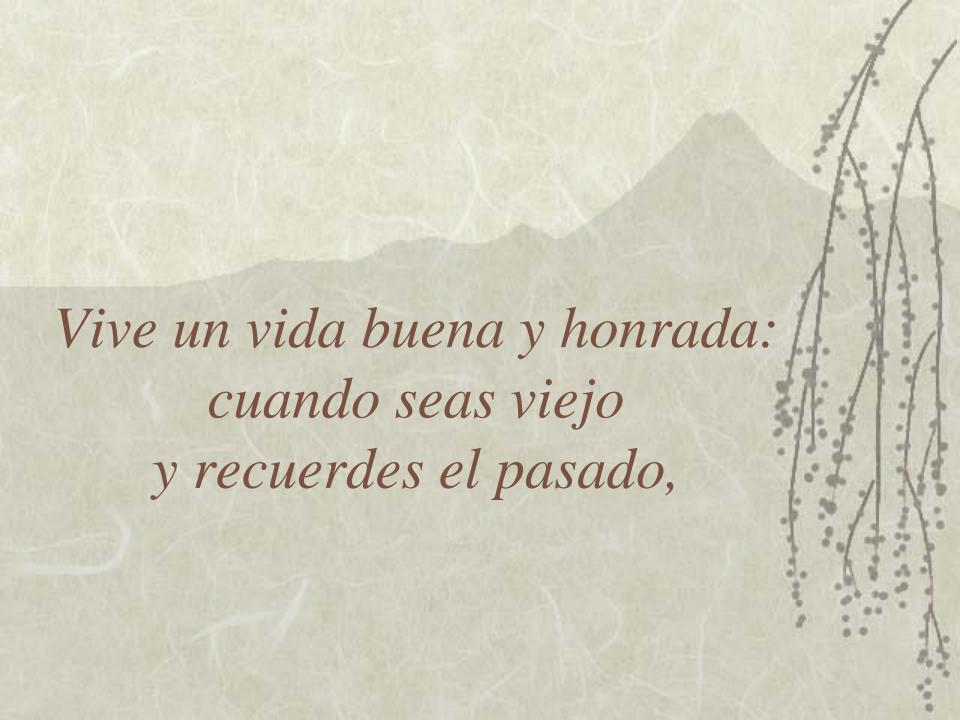

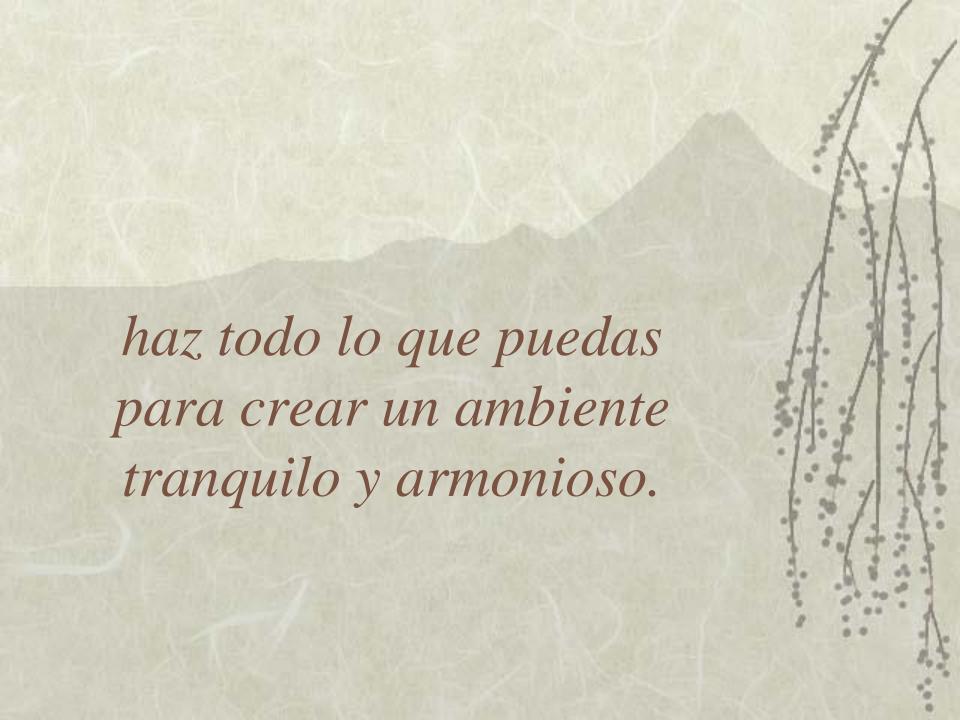

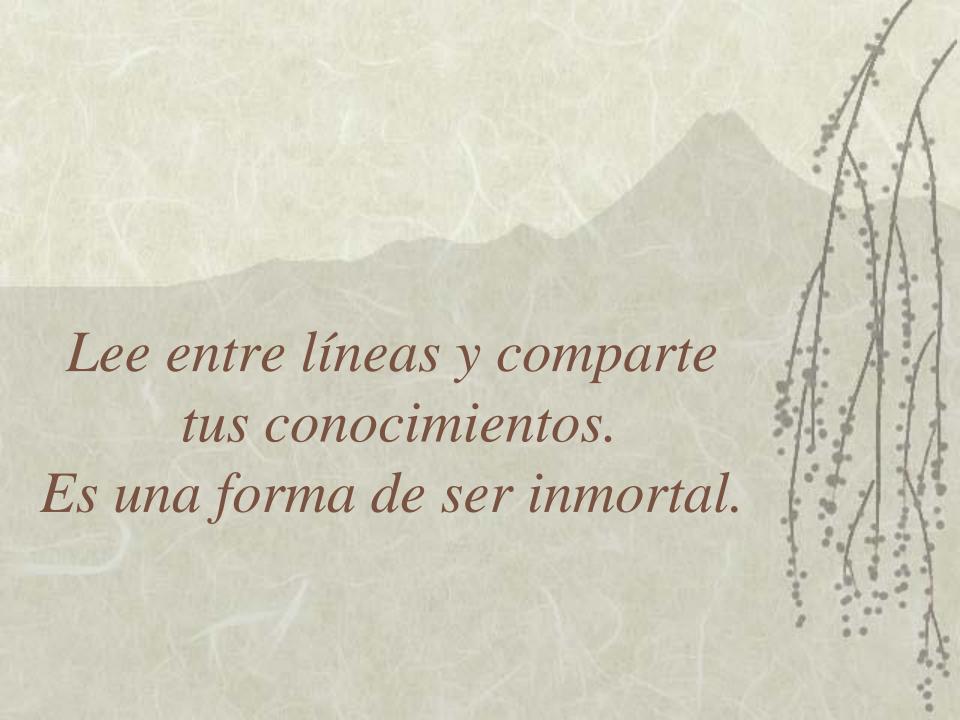

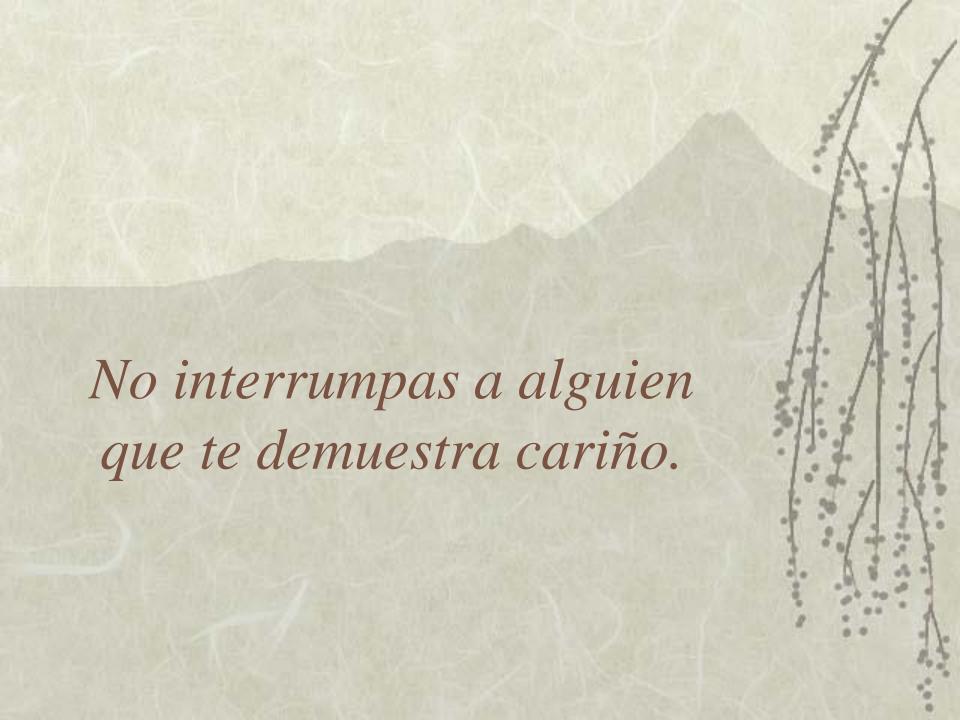

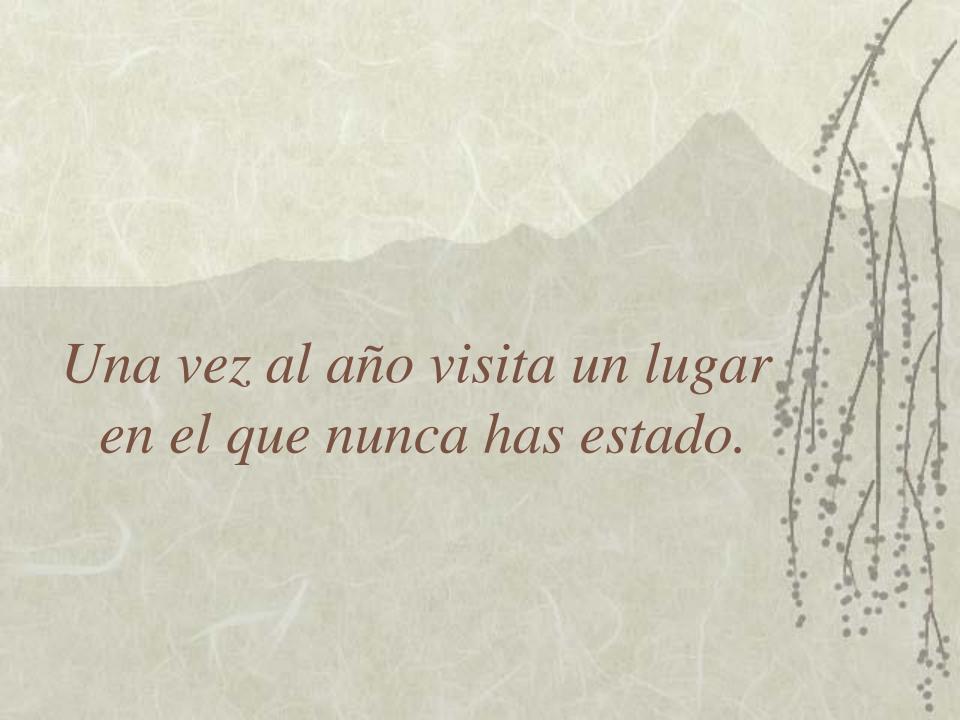

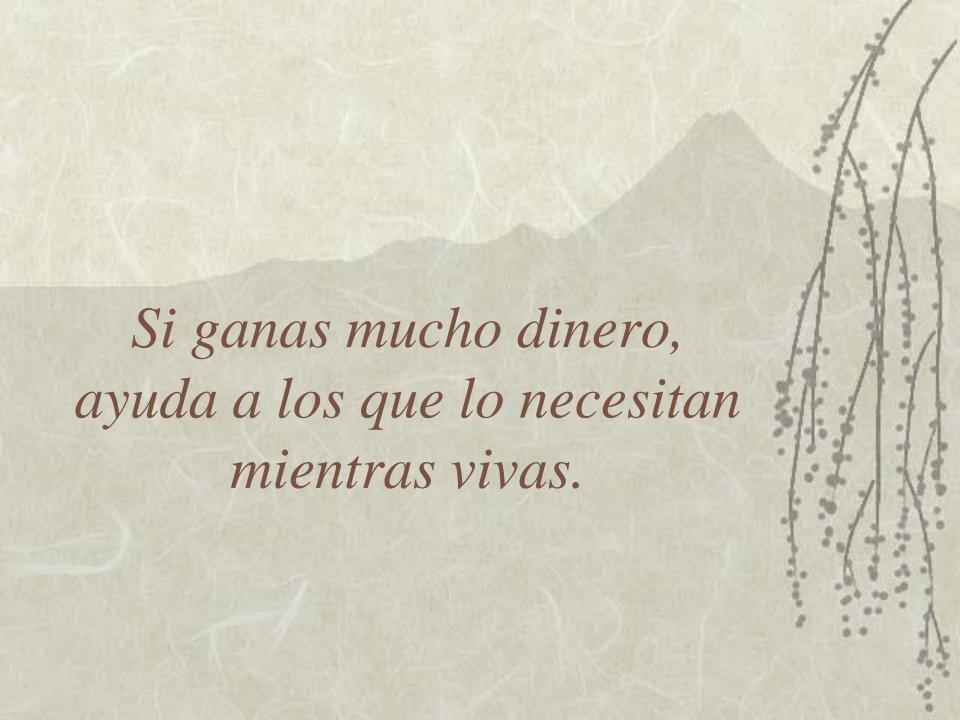

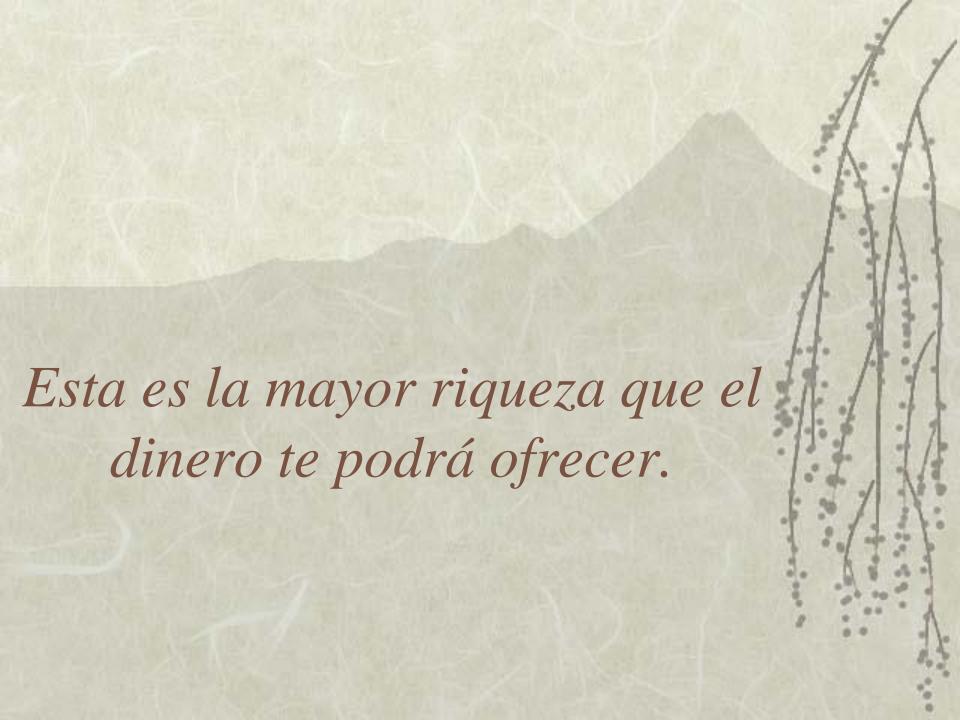

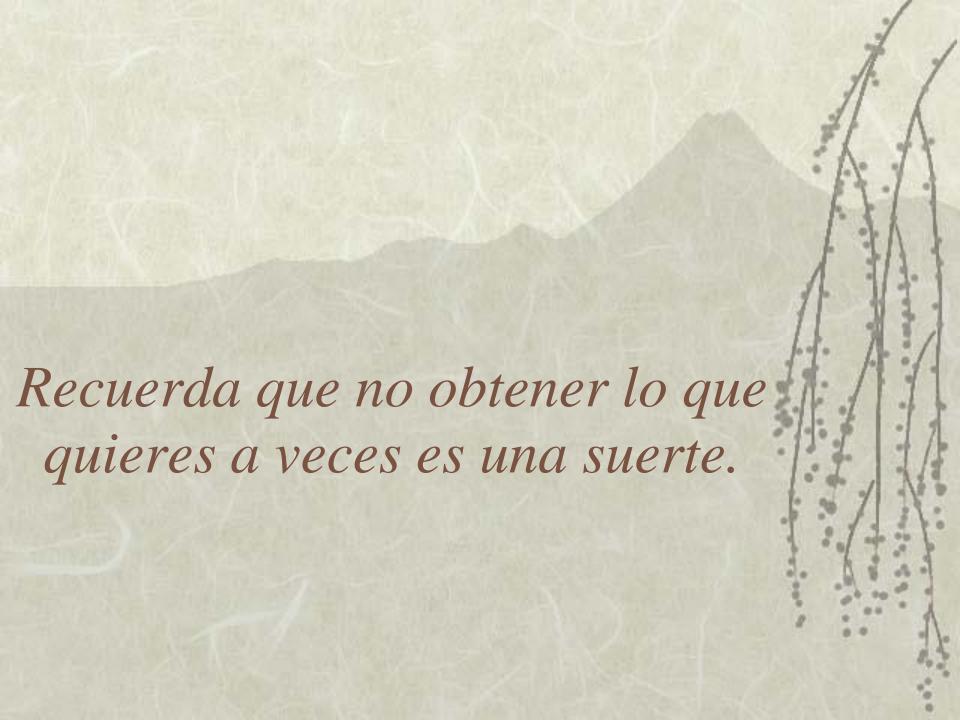

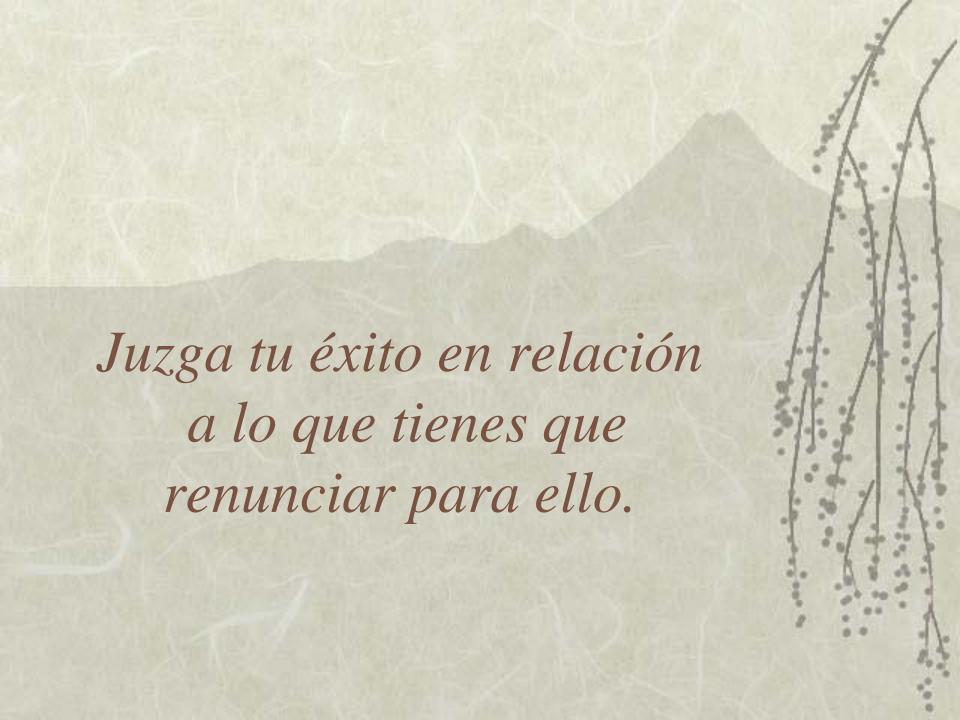

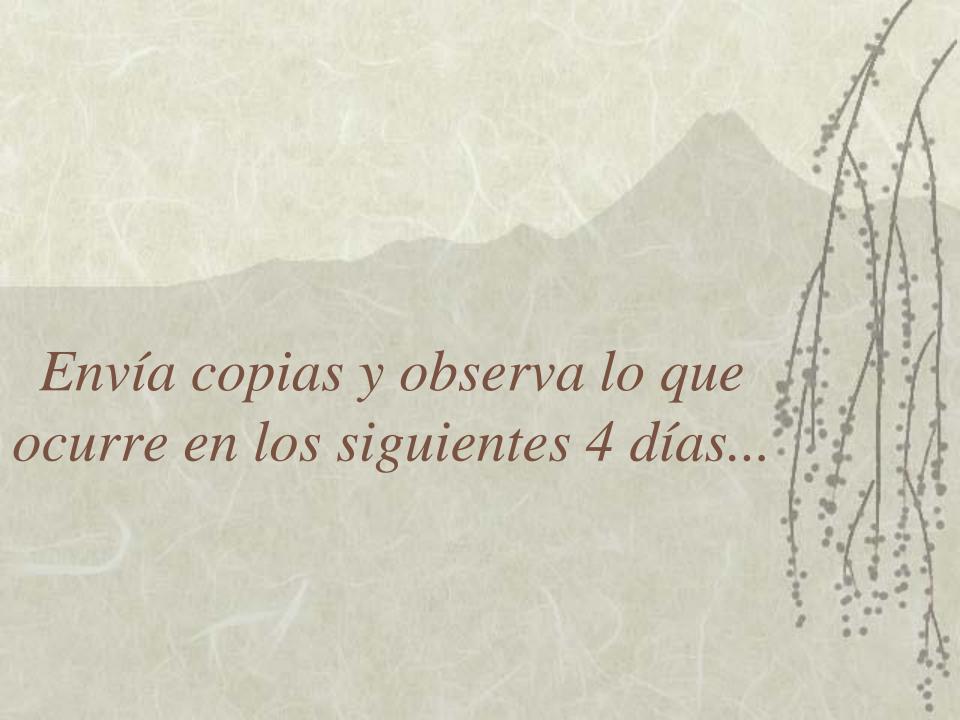

Recuerda que la mejor relación es aquella donde el amor entre dos personas es más grande que la necesidad del uno por el otro.
