

ASIA-PACIFIC CONFEDERATION OF MASONIC GRAND LODGES

Dear Brethren,

I wish all our brethren of the Asia-Pacific Region the very best.

We are now approximately 1 month out from our Conference. This is a most important Conference given the discussion on the formation of the Confederation.

I thank all those Grand Lodges who have indicated their attendance. Our Brethren of the Provincial Grand Lodge of French Polynesia have worked hard to ensure that our conference is a success and I am sure that the location and climate will go a long way in assisting in our contemplations.

There is still time to make sure you are represented at this most important Masonic Meeting. Please consider sending your representative at this time, your opinion is important in all our discussions.

Attached to this email you will find the following:

1. Booking form for accommodation, conference, other activities and any extra nights accommodation
2. Agenda for the two days (there may be further changes to this document)

I have been advised by the Provincial Grand Lodge of French Polynesia that :

“payments, can be done via the followings:

- Online transactions

- Paypal or Bidpay

We would also need the descriptions of the reservations via email to know which payment it corresponds to.”

Therefore, if you wish to make your payment other than through your bank account as shown on the booking form please contact me and I will pass the request on to the appropriate person in Tahiti.

If there are any particular topics you wish to be brought to the attention of the conference please email them to me as a matter of urgency. If there are any papers you want presented please send them to me and I will ensure they are distributed to all interested people.

I shall email our progress in a few more days.

I hope to see your name on the list of attendees.
