

## Cabalistic Notes on the Aura 2/5

Per diagram next page

- Don't be eager to rush off to the astral worlds. Many dangerous beings. Develop the etheric first.
- How you develop your etheric body has a direct connection with your group family higher world hierarchy whom connect into your etheric soul - this is Christ
- Refer to World card
- The World card shows the completion of the aura. Each hierarchy spiritual power represented by 4 beasts provides a spiritual organ, a sort of physical part to make the spiritual body completed.
- Think which of the 4 is the ego. Ego is needed to work the aura.
- Ascension growth spirituality depends on morality, all the Christian virtues. Virtues is manifested in your aura. It changes your aura / etheric body.
- The aura is not something that can be developed by idea - it requires the force of will. It required ego.
- The etheric body through the use of the symbol and ritual works to liberate, to grow the astral the aura body. Ritual makes the etheric body move away from the physical body to the astral.

- Don't be eager to rush off to astral worlds. Many dangerous beings. Develop etheric first.

- How you develop your etheric body has a direct connection with your group - family higher world hierarchy's whom connect into your etheric - soul. - thru Christ

- Refer to world card

the world card shows the completion of the aura. Each hierarchy spiritual power represented by 4 beads provides a spiritual organ: a soul of physical part to make the spiritual body complete.

- Think which of the 4 is ego. Ego is needed to work into the Astral.

- Ascension, growth spirituality depends on morality. all the Christiana virtues. Virtue is manifested in your aura - it changes your aura/etheric body.

- the aura is not something that can be developed by idea - it requires the force of will. It requires Ego

- the etheric body through the use of symbols and rituals wants to liberate, to grow the astral the aura body. Ritual makes the etheric energy move away from the physical body to the astral.
