

Cabalistic Notes on the Aura 1/5

Per diagram next page

- Spirituality has nothing to do with cleverness
- Signs of the aura developing are the two fold ability to live in both the spiritual and the physical world
- The body transfers energy to the etheric body aura. This is aging. If you develop in the aura correctly, your etheric body becomes more and more real.
- As the body ages it has less meaning less importance.
- Breathing helps the building of the etheric in the 1234 pause out 1234 pause etc
- [Diagram shows the etheric body in the aura shell/egg. The influence of light and earth being received by the aura.

- Spirituality has nothing to do with cleverness
- Signs of the aura developing, are the two fold ability to live in both the spiritual and physical world

The body transfers its energy to the etheric body aura. This is energy. If you develop in the aura suddenly your etheric body becomes your main form at the next level.

You will gradually experience the etheric body becoming more and more real. As the body ages it has less meaning, less importance.

Breathing helps the building of the etheric in 1234 pose and 1234 pose etc
